

March 18, 2011

The 2011 Alabama Council of Teachers of Mathematics Fall Forum will be held on October 20 – 21, 2011 at Auburn University in Montgomery. This year's theme is "Creating Opportunities for Reasoning and Excellence."

You are cordially invited to submit a speaker proposal for the Fall Forum. The speaker proposal form is attached and will be posted online at [www.alabamamath.org](http://www.alabamamath.org) at a later date. The deadline for submitting the speaker proposal form is June 1, 2011.

We hope that our selection for this year's theme will encourage you to share your expertise in a wide variety of topics pertaining to mathematics education. Please feel free to share the speaker proposal form with others who might be interested in presenting at the Fall Forum. As usual, the conference registration fee will be waived for the lead speaker of each session.

Please give consideration to presenting a session at the 2011 Fall Forum. We look forward to receiving your speaker proposal form.

Sincerely,

*Sarah Patrick*

Sarah Patrick, President  
Alabama Council of Teachers of Mathematics

P.S. Be sure to check out the current issue of the *Alabama Journal of Mathematics* at [www.ajmonline.org](http://www.ajmonline.org)
